TESTIMONY

Rev. Nathania Gartman first heard from Mary Lee after she had seen a TV show on healing featuring Rev. Sharon St. Joan in Washington, D.C. Mary wrote asking for prayers for her daughter, who was deeply depressed. A few months later Mary wrote again to say that Barbara was healed, and was now married. Praise the Lord. Here is a short extract from a recent letter.

I am convinced that it was the support of your continued prayers for our daughter, Barbara, that marked a dramatic turning point in her life, as well as the strengthening of our own faith. I shall always be grateful to you.

"She came up behind Him and touched the edge of His cloak, and immediately her bleeding stopped."

Luke 8:44

The Lord has done something great for me through your prayers. At first I was all the time thinking of my divorce case, but since I received your letter I have changed completely. The confusion has vanished in Jesus' name. I thank Jesus for His mercy on me.

PROGRAMS

THE HEALING MINISTRY

The Lord blesses this work with many remarkable healings of body, mind and spirit. At Faith Center and in institutions around the city we pray with the sick and give counsel to those who are oppressed. Through our prayer fellowship, the Circle of Power, we reach out with the healing love of Jesus Christ to people all over the world.

THE CLOWN MINISTRY

Our ministers and volunteers become clowns for Christ, bring love, laughter and toys to children who are terminally and seriously ill. Volunteers are welcome in many capacities, and we invite you to call Faith Center.

THE PRISON MINISTRY

Our work focuses on the importance of each person undergoing a profound personal change, by receiving Christ, so that, upon release, he or she does not simply return to a self-destructive lifestyle. Our current programs include counseling in Georgia's death row

ANIMAL ACTION

When God gave mankind dominion over the earth and its creatures He did not have in mind the abuse and abandonment of His creatures, nor their torture in scientific experiments. Nevertheless these things happen on a vast scale. We, therefore, give a very high priority to working against such abuse wherever we can

Rev. Charity Benedicte

Last month the Lord guided that Rev. Charity Benedicte take up a new position; working with The Foundation Faith of God's center in Denver. We were all very sad to see her go because in the 3½ years she was here there developed a tremendous love and respect for her from everyone connected with the ministry. And now the good news: she will be back to visit during the first two weeks of May. Praise the Lord. Meanwhile if you wish to contact her you can do so either by writing her at 1300 Lafayette St., Denver, CO 80218, or by calling (303)861-7275.

While on the subject of colleagues recently stationed in Atlanta, our new center in San Antonio, lead by Rev. John Christopher, has been blessed with continuing and wonderful success, to the point where they have had to acquire new and larger premises. The new address is 608 Donaldson Ave., San Antonio, TX 78201; phone (512)734-0448.

Meanwhile, Rev. Michael Mountain, who was with us in Atlanta in 1979, has opened a new center in San Diego, California. And so the Lord's work and message spreads. Praise God.

NEWS FROM GHANA

Probably you have seen the recent news concerning the expulsion of all foreign workers from Nigeria. It is impossible to estimate exactly how many citizens of Ghana were working in Nigeria at the time; figures range from half to one million. However, when you consider that Ghana's population is 11 million you can see what a gigantic influx this is for a country with catastrophic economic problems. We ask especially for your prayers for Ghana and her people.

MINISTRY TO SICK CHILDREN

The Clown Ministry was begun towards the end of last year by Revs. Grace Michaels and Nathania Gartman, and is now active in two Atlanta area hospitals, Henrietta Egleston Hospital for Children and Grady Memorial Hospital. You have probably seen the photographs in this Newsletter showing these two ministers dressed as clowns on their way to these hospitals, and perhaps you have wondered, understandably, how the Lord uses the Clown Ministry to bring relief and healing to seriously and terminally ill children. The following report from Rev. Gartman illustrates the serious intent behind the grease paint!

John is a very quiet, withdrawn child of 12. He dearly loved his grandfather, and when he died John descended into a deep depression, refusing to eat and losing 20 pounds in a week. He was brought to Henrietta Egleston Hospital, and while he revived physically he remained very depressed and totally unresponsive to the staff.

Then, one day Daffydil and Lilac (alias Revs. Gartman and Michaels) appeared in his room with a magic lightbulb, funny faces and music. John began to respond. The play therapist, Pat Booth, was astounded since John had not previously responded to anyone. Subsequently we took John to a birthday party at the hospital, and he began to talk and socialize. John is now well recovered and has been discharged from the hospital.

"...'I tell you the truth, unless you change and become like little children, you will never enter the kingdom of heaven.'"

Matthew 18:2

BIRMINGHAM OUTREACH

Last month a further expansion took place for the Clown Ministry as Revs. Grace Michaels and Matthew Gartenlaub took the Lord's love and laughter to Children's Hospital in Birmingham, Alabama, an outreach that will be repeated again this month on March 25th. Anyone interested in volunteering to go along in March should contact us ahead of time at Faith Center.

ANIMAL ACTION

Mobilization for Animals, a coalition of over 100 groups worldwide, dedicated to ending animal suffering, is holding a series of mass rallies to protest the inhumane treatment of God's creatures. The first will be held at regional Primate Research Centers. April 24th is the date and a rally will take place in Atlanta. Foundation ministers will take part, and we will also be boarding up to half a dozen visitors for the rally at Faith Center. For more information, please call Jane Bass, Georgia Coordinator, at 399-6732.

DID YOU KNOW?

This month we are introducing a new column entitled, "Did You Know?" which will give you facts you will not generally find in the national media. The first appears below. If you know of facts of this nature we will be glad to include them in this column.

1) Every **second** three animals die in an American laboratory.

2) The government spends $1,333 per second to keep the horror going.

Sister Grace Asare-Djan (right) and Philip Twum (center), leading members of The Foundation Faith of God's prayer fellowship, the Circle of Power, visit with a young child, Akua, suffering severe burns on both legs, at a hospital in Sunyani, Ghana. Told that Jesus would heal her, Akua smiled for the first time, according to the nurses, and asked our team to visit her daily.
